

Conestoga Valley Youth Football Association

Conestoga Valley Youth Football Association is a great organization that helps kids develop character & life skills of goal-setting, teamwork, & discipline. Our organization prides itself on providing the safest equipment possible for our youth. In an effort to raise funds to cover the cost, we are reaching out to you as a potential sponsor.

Last year, CVYFA registered over 175 youth, ages 6-14. Hundreds of parents, relatives, & friends volunteered their time to guide players on & off the field. Along with these volunteers, businesses like yours have contributed financially to provide a well-rounded football program to help mold & guide young athletes as they grow.

Sponsorships & Advertisements help to provide an opportunity for many local youth to play organized football with the safest equipment. It also promotes your business with advertising that will be distributed to members within the CV & surrounding communities.

Conestoga Valley Youth Football Association

Conestoga Valley Youth Football (CVYFA) needs your support as 2016 is proving to be a difficult year for the organization. We have had significant increases in expenses related to replacement of equipment, stadium fees, & elevating operating costs.

CVYFA has a long history of reconditioning and discarding equipment that the manufacturer has deemed unsafe or obsolete. As we learn more about the concussion awareness related to contact sports, this fundamental discipline must remain a top priority for our organization.

Football is a significant investment for any family with school aged children. It teaches our young men and women of our communities about life. ***Teamwork, Perseverance, Commitment, Passion, and Work Ethic are disciplines learned on the football field.*** Please help us to continue to grow this organization and provide a safe and exciting place for our kids to play and grow into young adults.

We appreciate any and all support that you can provide. Please know that all funds will be used exclusively for CVYFA expenses. **CVYFA is a 501C3 Organization and your contributions are tax deductible.**
